ABOUT US

<https://www.cruisemotors.co/about-us>

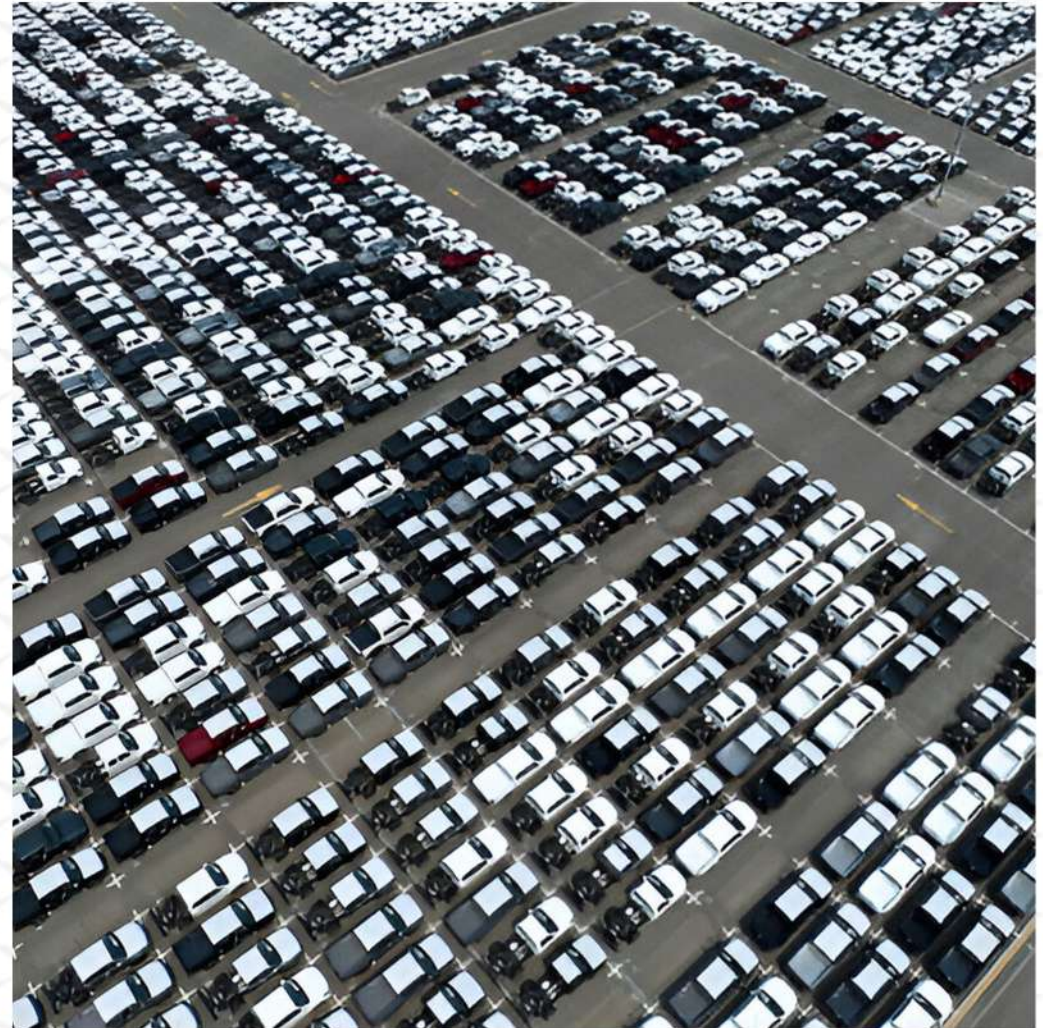

Cruise Motors maintains a consistent stock of 3,000 to 5,000 vehicles at our Dubai and Antwerp facilities, ready for immediate shipment. This allows us to efficiently serve clients across Africa and other remote locations around the globe.

We understand the unique needs of our customers and specialize in providing tropicalized vehicles from top brands like Toyota, Nissan, Mitsubishi, Hyundai, and more. Whatever vehicle you need, we have it available in bulk quantities.

Our inventory includes a wide range of vehicles

- Pickup trucks and 4WD SUVs
- Compact and mid-size sedans
- Minibuses and buses
- Medicalized ambulances
- Light-duty trucks

With access to some of the best shipping services in the world, we ensure fast and reliable delivery of even the largest vehicle orders. Cruise Motors is here to make your vehicle supply process simple and efficient.

Vehicle Import and Export to Africa

Our experienced in-house logistics team, with combined expertise, ensures a smooth and hassle-free shipping process. Through strong partnerships with major shipping lines and a network of agents, we provide the most competitive rates and efficient routes to key African destinations. Our long-standing relationship with Europe's top shipping lines for West Africa guarantees cost-effective solutions and the shortest transit times to your nearest port.

With the large volume of vehicles we ship annually, we enjoy priority loading and exclusive rates, ensuring faster and more affordable deliveries. Whether you need your vehicle delivered directly to its destination or wish to consolidate it with personal belongings (including diplomatic sales), we can coordinate with your moving company to meet your needs

WHAT WE DO?

Our Mission

Our mission is to provide the UAE with a seamless and exceptional car-buying experience. We strive to offer a wide selection of high-quality vehicles, backed by outstanding customer service and tailored financing solutions. Our goal is to build lasting relationships with our customers, ensuring their satisfaction with every purchase, service, and interaction.

Our Vision

To be the leading automotive dealership in the UAE, known for our innovation, trust, and customer-centric approach. We aim to revolutionize the car-buying journey by offering a modern, transparent, and hassle-free experience, while continuously expanding our range of vehicles and services to meet the evolving needs of our customers.

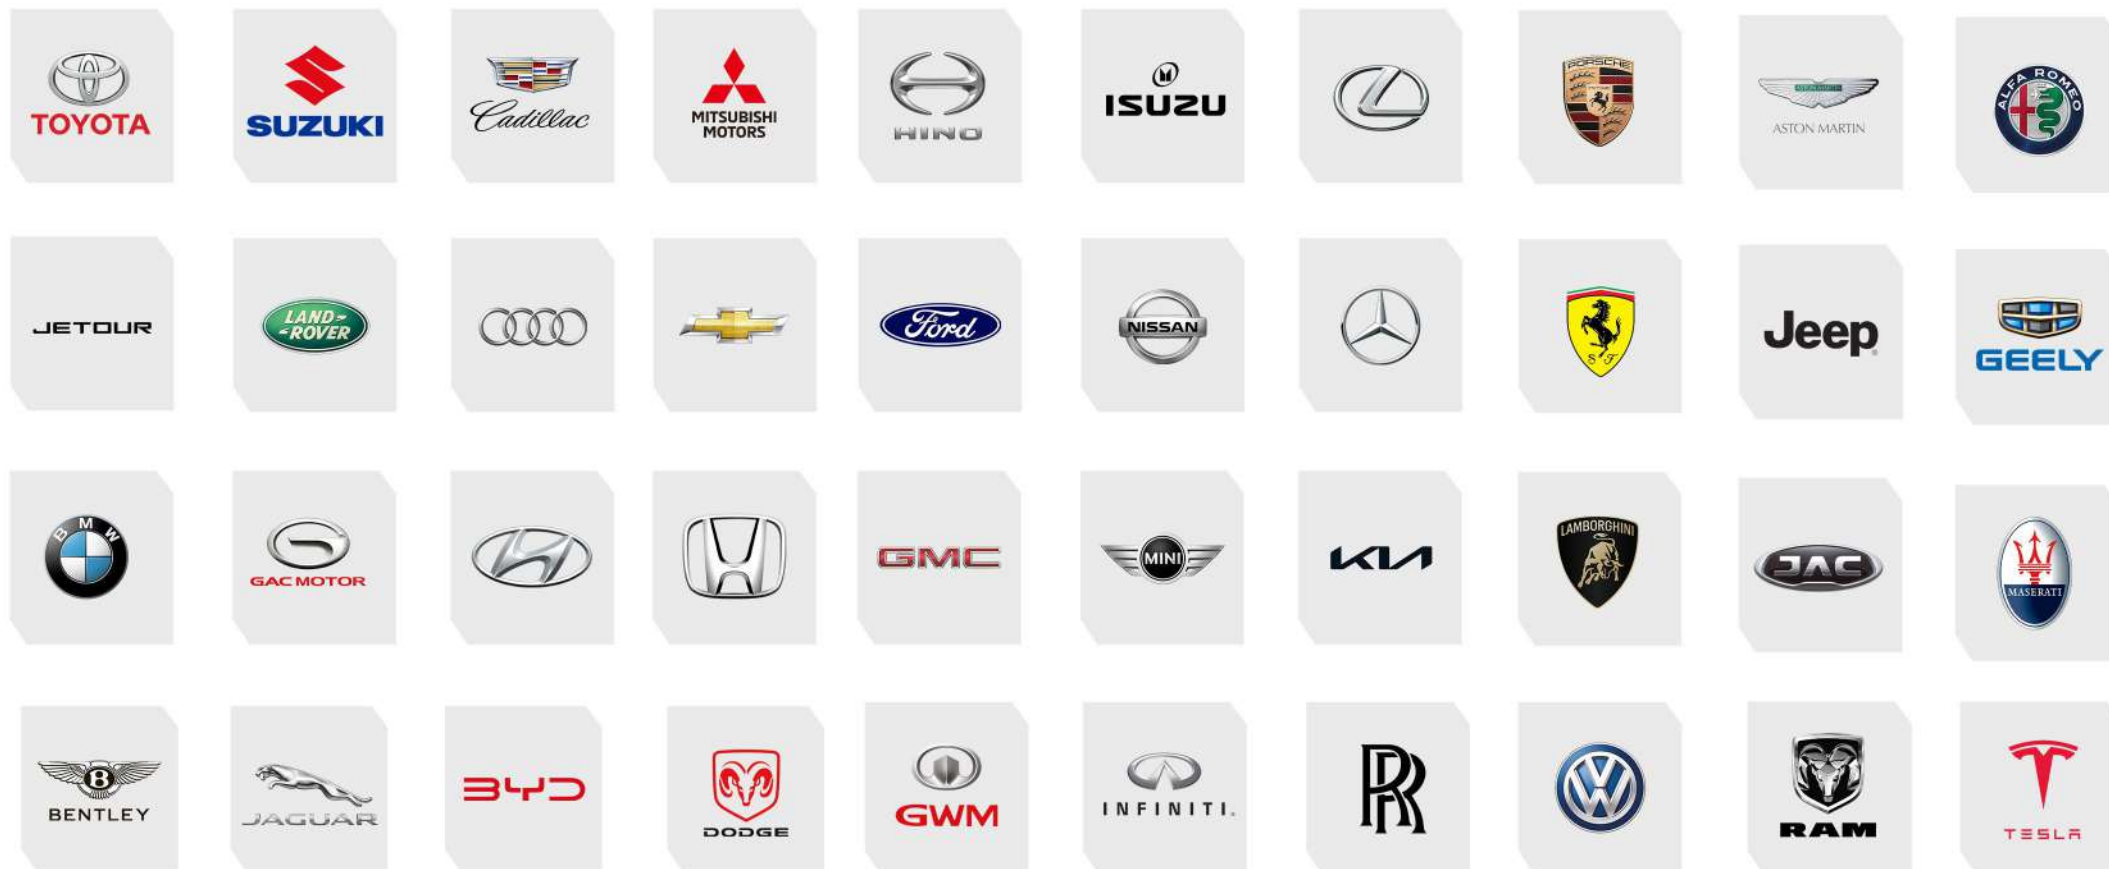

Our Values

Integrity: We conduct all business with transparency, honesty, and fairness, building trust with every transaction.

Excellence: We are committed to delivering the highest standards of quality in both our vehicles and services.

Innovation: We embrace technology and innovation to enhance the car-buying experience and stay ahead in the competitive automotive market.

LOGISTICS

For over 25 years, Cruise Motors has been a trusted partner in the import and export of vehicles, working closely with leading suppliers in the automotive industry to offer competitive prices.

Navigating logistics, customs regulations, and insurance paperwork can be challenging. That's why our in-house logistics team, with over 30 years of combined experience, ensures a smooth and hassle-free process. Our strong partnerships with major shipping lines and agents allow us to offer competitive shipping rates and efficient routes to key African destinations.

Whether it's an SUV, pickup, or people carrier, access to genuine parts is vital for your vehicle's longevity. Whether you opt to include a spare part kit with your vehicle shipment or need parts later, our teams in Antwerp and Dubai are ready to assist.

Request for quotation

Shipping your car to another country might feel overwhelming—but getting a custom quote? That's the easy part! Whether you're shipping a single vehicle or an entire fleet, we're here to help you plan better, save money, and get peace of mind.

Documentation & certificates

At Cruise Motors, we know how important it is to have the correct documentation and certifications for your vehicle, whether for export, compliance, or importation. That's why we've made it simple for you to apply for the required documents through our Documentation & Certification service. With a quick form submission, we handle the rest— catering to certificate requirements for various countries, no matter how specific.

UPGRADES

➤ <https://www.cruisemotors.co/upgrades>

We offer a wide range of upgrades designed to enhance your car's comfort, safety, and style. Whether you want to modernize with digital displays and heads-up displays, or improve safety with blind spot monitors, parking sensors, and reversing cameras, we've got you covered. Take control of your comfort with leather seats, powered seats, and heated and cooling seat options, ensuring every drive feels luxurious. From sleek alloy wheels to hands free tailgates for convenience, our upgrades are tailored to fit your lifestyle.

Make your car smarter and more entertaining with cutting-edge features like front and rear DVD screens, bird's eye view cameras for 360-degree visibility, and push-start buttons for seamless starts. Drive confidently in any weather with fog lights, and keep your passengers happy during long trips with backseat screens. At Cruise Motors, our goal is to make your vehicle uniquely yours.
